**PARENT VOLUNTEER REQUEST FORM 2010 – 2011**

The Queen of Peace High School Home School Association (H.S.A.) runs a variety of activities for our children throughout the year. The success of these activities depends on our parents who volunteer their time to ensure a safe and enjoyable event. We are requesting that each family volunteer for at least one of a variety of activities throughout the year. **Please review the list below and complete the volunteer form on the Q.P. Website (<http://www.qphs.org/> - follow link for HSA) by Friday, September 17, 2010.** You will be contacted by phone prior to the event(s) you have chosen.

\_\_\_\_ 2. **Hospitality Committee.** Throughout the school year the H.S.A is asked to "host" several early evening or weekend events by serving light refreshments to guests. Committees begin forming in September at the first H.S.A meeting and work continues until the night of the big event in March. We welcome any and all help for this event. No matter how many or how few hours you can give, all help is welcome. Please check the QPHS website and mailings for upcoming details.
