

Date: December 2012  
To: SAT Prep Course Candidates  
From: Mr. Paul McGinnis, Director of Counseling  
Subject: *Kaplan Review* at QPHS

---

During the months of February, March, April, and May *Kaplan Review* will be offering an intensive SAT Prep Review at QPHS. The Kaplan course for the spring (scheduled around the May 5, 2012 SAT's) will begin Monday, February 27th. This is a course that requires a great deal of time and dedication. We are looking for students who are serious about improving their SAT scores.

The number of students we are allowing for the class is 25. Anyone planning to take the course must make a commitment of time and payment before they are enrolled in the course. There is a \$480.00 fee for the course, which is less than half of the regular Kaplan fee. Each student must sign the bottom of this form as well as the parent/guardian so everyone is aware of the nature of the commitment.

The commitment is considerable. You will be in class once or twice a week for three to four hours. You will be required to do homework outside of class. It is a documented fact that students who attend each class and complete the homework assignments improve their scores on an average of 150 points. **Class Attendance is mandatory.**

While the commitment is considerable there are benefits which can be attained (the Essay part of the test is also reviewed along with the additional Writing Score). In order to secure a place in the class, a **non-refundable deposit of \$280.00 is required by Friday, January 20th. Please make the check payable to: Queen of Peace High School. Submit the check as soon as possible to Mr. McGinnis or Mrs. Valente in the Counseling Center. The spaces will be offered on a first-come, first-serve basis.**

---

I understand the nature of the commitment involved in taking Kaplan Review at Queen of Peace High School. I have looked at the schedule of classes below. **I know I must attend all of the classes as well as work in and out of class to improve my scores.** My parent or guardian has also read this memo and they have signed below to indicate that they understand the commitment that I am about to make.
