“NATIONALLY RECOGNIZED SCHOOL OF EXCELLENCE”

Date: January 2016

To: ACT Prep Course Candidates

From: Eneida Valente, Counseling Center

Subject: ACT Review at QPHS

During the months of April and May, we will be offering an intensive ACT Prep Review at QPHS. The classes will begin April 4<sup>th</sup>, 2016. This is a course that requires a great deal of time and dedication. This course is for students who are serious about improving their ACT scores.

The number of students we are allowing for the class is 25. Anyone planning to take the course must make a commitment of time and payment before they are enrolled in the course. There is a \$ 500.00 fee for the course. Each student must sign the bottom of this form as well as the parent/guardian so everyone is aware of the nature of the commitment.

The commitment is considerable. You will be in class twice a week for three to four hours. You will be required to do homework outside of class. It is a documented fact that students who attend each class and complete the homework assignments improve their scores. **Class attendance is mandatory.**

While the commitment is considerable there are benefits which can be attained (the Essay part of the test is also reviewed along with the additional Writing Score). In order to secure a place in the class, a **non refundable deposit of \$ 300.00 is required by Friday, March 18<sup>th</sup>. Please make the check payable to: PAUL MCGINNIS / ACT Prep Course. Submit the check as soon as possible to Mrs. Valente in the Counseling Center.**

I understand the nature of the commitment involved in taking ACT *Prep* at QPHS. I have looked at the schedule of classes. **I know I must attend all of the classes as well as work in and out of class to improve my scores.** My parent or guardian has also read this memo and they have signed below to indicate that they understand the commitment that I am about to make.

**This course is geared for ACT's but will be just as helpful with SAT's**
