Subject: Kaplan Review at QPHS

During the months of March, April and May, *Kaplan Review* will be offering an intensive SAT Prep Review at QPHS. The Kaplan course for the Spring (scheduled around the May 6th, 2017 SAT's) will begin March 7th, 2017. This is a course that requires a great deal of time and dedication. This course is for students who are serious about improving their SAT scores.

The number of students we are allowing for the class is 25, with a minimum of 10. Anyone planning to take the course must make a commitment of time and payment before they are enrolled in the course. There is a \$ 500.00 fee for the course, which is less than half of other SAT PREP courses. Each student must sign the bottom of this form as well as the parent/guardian so everyone is aware of the nature of the commitment.

The commitment is considerable. You will be in class twice a week for three to four hours. You will be required to do homework outside of class. It is a documented fact that students who attend each class and complete the homework assignments improve their scores on an average of 150 points. **Class attendance is mandatory.**

While the commitment is considerable there are benefits which can be attained (the Essay part of the test is also reviewed along with the additional Writing Score). In order to secure a place in the class, a **non refundable deposit of \$ 300.00 is required by Friday, February 24th. Please make the check payable to: PAUL MCGINNIS / Kaplan Course. Submit the check as soon as possible to Mrs. Valente in the Counseling Center.**

I understand the nature of the commitment involved in taking *Kaplan Review* at QPHS. I have looked at the schedule of classes (other side of paper). **I know I must attend all of the classes as well as work in and out of class to improve my scores.** My parent or guardian has also read this memo and they have signed below to indicate that they understand the commitment that I am about to make.
